

# Journey of a Collaborative Work School

START  
HERE

## Commit

Are administrators ready to commit?

Are educators mindsets focused on improving learning?

Know Your Reality

Identify practices in place

Address Gaps in Knowledge & Skills with Professional Development

What is the impact on students?

- ☒ Are Effective Teaching/Learning Practices in use?
- ☒ Do educators collaborate? 
- ☒ Is data used to inform instruction?
- ☒ Are common formative assessments used to track student learning progress?

Loading...

## Practice, Get Better, Coach Others

Apply teaching/learning practices in classrooms

Educators receive expert coaching + feedback

Educators become in-house experts + coach peers

## School-wide Implementation with Fidelity

Teaching mindsets focused on learning

Implement effective teaching/learning practices

Know thy impact

Increased student learning

Step 1  
Commit

Step 2  
Identify

Step 3  
Address Gaps

Step 4  
Practice, Get Better, Coach

Step 5  
Implement

Step 6  
Success!
